

**Program: *Creativity & Innovation: Develop Your 21st Century Skillset***

**Presenter: Ken Everingham, KFE Consulting**

**Date: Wednesday, July 25, 2018 5:30 PM-7:30 PM**

**Location: Bohannon Huston, 7500 Jefferson St. NE (NE corner of Jefferson & Masthead)**

**Description:** Leaders have identified creativity and innovation as a critical skill set for performing almost all jobs in the 21st century. This highly interactive hands-on ATDNM session explores techniques to improve individual and team problem-solving to enhance creativity and innovation in one's personal and professional life.

*At the end of the session you will be able to:*

- Describe the necessary conditions that stimulate creativity and promote innovation
- Demonstrate multiple techniques to encourage creative idea generation, which will enhance your creativity toolkit
- Define the leader's role in developing an innovative work environment
- Apply discovery learning principles to your training designs

**Bio:** Ken Everingham is the principal of KFE Consulting. He has more than 25 years' experience in training, organizational development, and human resources. He has degrees in Counseling and Human Resource Development.
